

Cornerstone Pregnancy Services is seeking RDMS (Registered Diagnostic Medical Sonographer) for a 16-24 hr. /wk. position. This position will work closely with the Director of Patient Resources to provide obstetric ultrasounds during scheduled client appointments. The candidate will be responsible for performing limited (dating) ultrasounds, data entry, general office functions, and direct client referrals. The right candidate must have current RDMS training and certification and be familiar with computer data entry. OB/GYN certification is desired. Excellent customer service and telephone skills are essential to maintain good relations with all contacts using a high level of professionalism and integrity. Bilingual candidates are encouraged to apply.

Qualified interested candidates should send updated resumes with cover letters and salary history to:
